

# CS 4920: Internship

## Assignment 2 Midterm Report

### Assignment

Students must submit a midterm progress report. The report must be a PDF document, and must contain the following information:

- Progress on learning objects.
- Updated learning objects (these tend to change over time).

The report will be reviewed by the instructor and may be discussed with the supervisor.

### Due Date

Near the middle of the semester. Check Canvas for the exact date.

### Submission

- Submit the PDF report to the Canvas assignment.
