

CS 4600: Senior Project

Progress Checkpoint 1

Assignment

Meet with the instructor, at the assigned date and time. Punctuality is *very* important.

See your assigned day and time in Canvas/Files/Schedules.

Be prepared to discuss

- progress on the project so far,
- difficulties barring progress,
- possible changes to milestones, and
- other project related issues.

Submit your agenda for the meeting to Canvas, prior to the meeting.

Grading

To receive any credit, you must be on time for your appointment. To receive any credit, you must have submitted your meeting agenda. To receive full credit, the agenda must have a clear list of discussion items.

Submission

Submit the agenda to Canvas.
